

HANDBOOK

Welcome back to school! We are looking forward to a great year of music-making!

Mr. Budzinski: Concert Winds, Symphonic Winds, Wind Symphony, Wind Ensemble | Mr. Harr: Symphonic Band

MUSIC / INSTRUMENTS

Each student will be issued a folder with music, band warm up books, and other materials. Please keep your music, folder, and instrument in the locker that is assigned to you. Students are responsible for repairing/replacing any lost or damaged music, folders, or school-owned instruments/equipment. Students are encouraged to lock their locker with their own lock.

UNIFORMS/CONCERT BLACK

Students will be fitted for a tuxedo (pants/coat) or a dress. If wearing a tuxedo, students must obtain their own white tuxedo shirt, black bow tie, black dress socks, and black dress shoes. If wearing a school-issued long, black dress, students must obtain their own black dress shoes. Please consider your appearance as part of the school's and bands' professional image when wearing concert black.

SEMESTER AUDITIONS

Students perform an audition at the end of each semester. This audition serves as the final assessment, and it also determines part assignments and ensemble placements for future semesters. Auditions include major scales and assigned musical excerpts. Auditions help directors monitor student progress, and they help students develop audition and interview skills.

GRADING AND ATTENDANCE

The Normal West Bands are skill-based courses that utilize Standards-Based Grading. Standards can be found at nwbands.org under the INFORMATION pull-down menu. Grades are comprised of formal assessments and skills demonstrated in class. Performances are used to assess a variety of performer and audience skills, and attendance at all scheduled performances is required. Excused absences include illness, family wedding/death, potentially school sports conflicts. Club/outside sporting events are not considered an excused absence. In case of a school-related conflict, please notify your coach and band director as early as possible.

PRIVATE LESSONS

We encourage all instrumentalists to study privately with a specialist on their instrument. Students who study progress at a quicker pace and have the opportunity to gain individual attention and learn instrument-specific information. Ask your band director to recommend a lesson instructor!
